

Laughter Yoga with Clare

For Your Wellbeing

Start your week off by reducing stress, feeling happier and taking care of your wellbeing.

Laughter Yoga is a unique physical, aerobic activity and combines yogic breathing, stretching and laughter with childlike playfulness to ...

- release endorphins and serotonin to make you feel better;
- reduce stress and strengthen the immune system;
- raise energy levels;
- improve circulation;
- support good mental health;
- improve concentration and creativity;
- provide a coping mechanism through challenges.

*Give it a go; you might be hesitant at the beginning
but soon you'll be laughing easily and on demand. It's a lot of fun!*

- When:** Mondays 6.30 pm to 7.30pm
Where: Plunket Room, 21 Tawai Street, Upper Hutt
Cost: Gold Coin Donation (goes towards the room hire)
Cancellations: Will be posted on FB "Laughter Yoga with Clare"
For: Adults
Note: No classes on Public Holidays or in January

As with all physical activity, there may be times when you need to take it easy or not participate. If you have existing medical conditions, please consult your Doctor first. Guidance can be found in the "Contraindications" document on my website.

Clare Ludlam is a Certified Laughter Yoga Leader and Teacher
